

Natria™

Personal Care Products

Healthy, beautiful skin is achieved by caring for your body both internally and externally. The foods and supplements you consume help nourish your skin from the inside. But just as important are the nutrients required on the outside for your skin's health and well-being, and for a beautiful appearance at any age.

NATRIA™ is an innovative personal care product line formulated with naturally derived, nourishing ingredients that condition, strengthen, and defend your skin. Vitamins and botanical extracts deposit powerful antioxidant protection and vital nutrients directly to your skin. A unique moisture replenishing complex guards against harmful external elements and ensures optimal hydration. Specialized DNA defense enzymes counteract the damaging effects of UV rays and help correct visible damage caused by sun exposure. In addition, a powerful skin renewal complex dramatically reduces the noticeable signs of aging, restoring your skin's youthful appearance.

Clinically tested by cosmetic scientists and dermatologists – proven to offer visible results. Discover your source of skin nourishment. Discover your most beautiful self. Discover NATRIA – Nature's Skin Nutrition.

Natria Skin Nutrition Line

Nourishing Cleansing Lotion

Hydrates and conditions while restoring vital moisture and nutrients. A nutritious blend of vitamins and pure plant extracts provide antioxidant protection against the damaging effects of

the environment. Comforts as it cleanses with a smooth, creamy lather. Leaves skin feeling soft, healthy, and thoroughly clean.

Stock No. 6000-6

Nourishing Toner

Surface impurities are carried away as natural humectants condition and add moisture rather than drying or stripping skin's barrier. Enhances the look and feel of the skin while hydrating and supplying elements important to skin health.

Stock No. 6002-3

Nourishing Daily Defense Lotion SPF 15

Provides immediate hydration in a lightweight formula, then goes beyond moisturization with skin-smart ingredients. During the daytime, SPF 15 shields from harmful UVA and UVB rays, and plankton extract aids in defend-

ing DNA and repairing the visible signs of damage from sun exposure. A blend of skin's natural barrier components preserves optimal moisture content.

Stock No. 6005-2

Advanced Recovery Cream

Drenches your skin with instant hydration to rapidly boost and sustain moisture

levels, replenishing what your skin loses throughout the day. This rich cream hydrates with luxurious emollients and humectants like squalane and sodium PCA that add luster and restore vitality. All these elements combine to let you wake up to younger looking skin.

Stock No. 6007-9

Balancing Cleansing Gel

Refreshes and purifies while balancing skin's normal sebum levels. A natural blend of non-soap cleansing agents rids skin of makeup, surface debris, and excess oils that can clog pores.

Antioxidants from essential vitamins and botanical extracts supply reinforcement against harmful environmental aggressors.

Stock No. 6001-7

Balancing Toner

This skin-nutritious formula purifies beneath skin's surface, minimizing and tightening pores for a clean, refined appearance. Improves skin texture and clarity for a smooth, matte finish.

Stock No. 6003-0

Balancing Daily Defense Lotion SPF 15

Hydrates with a light, quick-absorbing formula. More than just a moisturizer, this formula fuels skin with beneficial elements. All day, SPF 15 shields from destructive UVA and UVB

rays while extracts from microscopic plankton help repair visible damage caused by UV exposure. A specialized moisture replenishing complex ensures that optimal hydration and balance are achieved.

Stock No. 6006-8

Advanced Recovery Lotion

Quenches skin's thirst for moisture and helps maintain an ideal level of hydration. As you sleep, the process of absorption is most efficient. Cells regenerate as the skin absorbs what it requires to function in its optimal state. Each

morning your skin looks younger and feels better than the night before.

Stock No. 6008-1

Deep Detoxifying Mask

Draws out excess oils, impurities, and toxins from deep within the skin. Provides a mild cooling sensation as kaolin and bentonite clays gently exfoliate skin surface for an even tone and texture. These concentrated clays stimulate circulation deep down to promote a healthy complexion. Organic and mineral components, collected and extracted from fresh water lakes in Eastern Europe, offer powerful antioxidant protection and help promote cell oxygenation, imparting freshness, firmness, and uniformity to the skin. As skin is deep cleansed, it is left soft, smooth, and free from impurities as toxins are effectively neutralized.

Stock No. 6011-6

Completely Clean Makeup Remover

Gently and thoroughly sweeps away even stubborn eye and lip makeup. Naturally derived cleansing agents, perfect for delicate eye area skin, are so gentle they are even found in baby shampoos. Non-greasy formula leaves no oily residue behind so you can quickly reapply makeup.

Stock No. 6010-5

Five-Phase Eye Refine

The skin around your eyes is thinner than any other skin on your body. So it's no wonder this vulnerable area is the first to show the signs of stress and aging. Five-Phase Eye Refine defends and strengthens fragile skin as it fights the five most visible signs of aging and stress around the eyes.

Stock No. 6012-4

Skin Refining Serum

Works deep within the skin to dramatically reduce the visible signs of aging and restore your natural radiance. Aging surface cells that cling to the skin and cause it to look dull and older than it should are replaced with new cells from beneath. Lines and wrinkles are visibly diminished. Elasticity and skin firmness are improved as the production of collagen and elastin speeds up. Skin-essential vitamins and natural plant extracts release a steady supply of antioxidants and environmental protection. As new, youthful skin is revealed, skin takes on a vibrant appearance.

Stock No. 6004-5

Natria's Exclusive Ingredient Complexes

NatriMinz

Important vitamins deposit antioxidants and vital nutrients directly to the skin.

NatriXtracts

Essential herbal and botanical extracts provide natural skin-nourishing benefits.

NatriNew

This powerful skin renewal complex dramatically reduces the visible signs of aging, restoring skin's youthful appearance.

NatriSome

Targeted liposomes release active ingredients into the areas of the skin where they are needed most.

NatriZyme

Specialized DNA defense enzymes protect against and help correct the visible signs of damage caused by sun exposure.

NatriPlex

A unique moisture replenishing complex protects against harmful external elements and ensures optimal hydration.

NatriSpheres

These hair repair spheres bind naturally to the hair shaft to help repair, restore, and restructure the hair.

Moisture Full Body Wash
 Bathes your skin in an invigorating cleansing experience. This nutrient-rich formula energizes and revitalizes your skin with a soft lathering gel. Protects against dryness with conditioning cleansing and penetrating hydration.

Cleansing agents derived from natural sources. An abundance of herbal and botanical extracts indulge skin with nourishing properties. Powerful vitamins soak into the skin where they deposit free-radical fighting antioxidants. Leaves your skin thoroughly clean, moisturized, and refreshed. For an adventure in clean – from head to toe.

Stock No. 6020-4

Irish Moss Hand & Body Lotion

Rich in emollients and nutrients that hydrate and condition for hours. Cares for your skin with a unique moisture replenishing complex that restores and increases skin's ability to retain essential moisture and lipids.

Irish moss soothes, nourishes and conditions, and Iceland moss imparts anti-microbial properties. Filled with natural plant extracts and protective vitamins that are absorbed deep into the skin where they disperse their skin-replenishing nutrients. Rejuvenates and restores dull, dry skin to its youthful clarity. Non-greasy, fast-absorbing formula is ideal for hands and body. Leaves your skin smooth, soft, and naturally healthy looking.

Stock No. 6021-0

Restoring Shampoo

Gently and effectively cleanses while enhancing and preserving hair's healthy appearance. NatriSpheres technology deposits an advanced hair repair complex directly onto individual hair strands.

Throughout the day, these time-released spheres open, releasing their active contents that help repair and prevent damage. Instead of being washed away, beneficial ingredients remain attached to nourish hair all day long. Your hair shines with restored health and beauty.

Stock No. 6030-8

Restructuring Conditioner

Protects and strengthens while returning natural luster and shine to your hair. Hydrating herbal and botanical extracts, and fortifying vitamins envelop stressed, overworked hair in luxurious conditioning.

NatriSpheres technology targets split ends and damage to ensure weak areas are reinforced and repaired. These beneficial ingredients build a defense against the environment, and work through the day to nourish the hair. The end result – restructured hair that feels soft and healthy, and looks beautiful.
